Présentation

Anti-Catholicism in early modern England and Scotland. This course seeks to assess the multi-faceted nature of anti-Catholicism. It first attempts to chart the shifting contours of anti-Catholicism in Protestant discourse from the mid-sixteenth century to the late eighteenth century in both England and Scotland. It then explores more particularly the manifestations of anti-Catholicism in eighteenth-century Scotland and the various ways in which Scottish Catholics responded to them.

Évaluation

Formule standard session 1 : contrôle continu : un exposé 30% + un devoir sur table de 2 heures en fin de semestre (commentaire de texte ou dissertation) 70%. La note finale sera pondérée par la participation tout au long du semestre (préparation de textes, prise de parole, etc.)
Formule dérogatoire session 1 : une épreuve sur table en 3 heures (commentaire de texte ou dissertation).
Session 2 : une épreuve sur table en 3 heures (commentaire de texte ou dissertation).
